

**BRUNSWICK COUNTY GIS DEPT.
CEMETERY PROJECT
PUBLIC NOTICE**

The Brunswick County GIS Dept will hold five open house/workshops for the Brunswick County Cemetery Project. Places and times of the meetings are listed below.

The Brunswick County Cemetery Project seeks to accurately locate all gravesites and/or cemeteries for the purpose of protection and preservation. Maps will be present with all currently known cemetery locations.

All interested citizens are encouraged to attend a meeting and share any information they may have regarding cemeteries/graves in Brunswick County.
